Elections were held for the Board of Directors with no new names added to the ballot, Jim Paladino & Lyle Freeburg were re-elected. The credit union would like to thank the Board & Supervisory Committee for their past years of service as well as their continuing service for the next year. E-Services: It's Easy To Be Green

Kermit the Frog lamented that it wasn't easy being green. But for you, & your fellow credit union members, it is. When you sign up for Home Financial Services, it's not only easy to help the environment, but you will also be helping yourself & the credit union. Here's how: When you go online to make a loan payment or transfer funds, you save a trip to the credit union & the emissions that go along with it. Online services are available anytime, day or night, too, putting the credit union at your fingertips on your schedule, not ours.

With E-Statements, you will receive an email alerting you that your statement is ready. Although you can print it out, there's no need to. You can view it online & then save it to your desktop or a storage device, like a thumb drive. That saves paper & postage. Less paper means less clutter.

You can now sign up for both at the credit union.
